

SINGAPORE INTERNATIONAL WATER WEEK

The Global Platform for the Sharing and Co-Creation of
Innovative Water Solutions

Bernard Tan

*Deputy Managing Director
Singapore International Water Week*

Bringing the world together to share and co-create innovative water solutions

OBJECTIVES

- Profile Singapore as a Global Hydrohub
- Bring together buyers and solutions providers from the global water industry
- 5th SIWW saw more than 19,000 participants from 104 countries/regions, with 750 participating companies

Thank you for making SIWW a must-attend water event

- Date: 1-5 June 2014
- Covering *municipal water, industrial water, integrated solutions and future of water* issues, challenges and solutions
- A larger Water Expo (2 floors), with more than 60% of already reserved

Stay tuned for:
