September 13th, 2006

It is a great pleasure to inform you that Mr. Yoshiro Mori, former Prime Minister of Japan, has assumed the post of president of the Japan Water Forum as successor to the late Mr. Ryutaro Hashimoto on September 11th, 2006.

New President's Message:

I am happy to announce that I have taken on the post of president of the Japan Water Forum. I will dedicate myself to carrying out the cherished desire of the former President Ryutaro Hashimoto to contribute to the resolution of global water issues. In addition, I will make efforts in the field of environmental and hygiene problems across the world by making use of my international experience. Your continued assistance will be greatly appreciated.

Yoshiro Mori

Former Prime Minister of Japan
